<b>Re-apply</b>	Aztec recommend that Moss Killer & Lawn Tonic is applied in two half strength applications. Apply first half, then the second half 3 days later. Scarify the treated area 2 weeks after Moss Killer application has been completed							Re-apply where necessary - usually in Spring and Autumn	Use every 4-6 weeks between March and September.	Use every 4 weeks between Feb & Oct - when Fine Turf/ Lawn Fertiliser is not used	Use every 4-6 weeks to help maintain green colour between March & Oct
